WE'VE GOT YOUR NEXT BIG MOVE COVERED!

SAFETY

OUR POLICY

Southern Cross Heavy Haulage, is firm in being a leader in the transport industry for Work Health and Safety management and performance. Our objective is that our health and safety goals are effectively communicated, understood and implemented in a consistent manner making sure that the message of "People are Southern Cross Heavy Haulage's most important asset" and their health and safety is our greatest responsibility and the public shall be given equal priority to that of our employees.

Central to the success of Southern Cross Heavy Haulage safety and health management is dependent on Pro-active planning of all work activities with due consideration given to implementing WHS controls that are suitable to each given situation. Business culture is satisfying legislative compliance and a commitment to the health and safety of employees, subcontractors and everyone who visits Southern Cross Heavy Haulage work areas.

ENVIRONMENT

OUR POLICY

Southern Cross Heavy Haulage , acknowledges and accepts that it is our responsibility to preserve and protect the environment through the commitment and involvement of management and workers, is dedicated to the provision of successful outcomes that are environmentally responsible to Southern Cross Heavy Haulage clients, the workforce and the community. All Southern Cross Heavy Haulage employees, and where practicable sub-contractors and suppliers, will comply with and support implementation of this policy.

QUALITY

OUR POLICY

Southern Cross Heavy Haulage is committed to meeting the needs and expectations of its clients by the consistent implementation of our Quality Management System. Southern Cross Heavy Haulage recognises that the disciplines of quality, workplace health and safety and environmental management are an integral part of our management function. The Organisation views these as a primary responsibility and to be the key to good business in adopting appropriate Quality standards.
